

Asbestos Project Monitor

Are you an experienced Asbestos Project Monitor looking for a change? Are you looking for steady project work as the fall / winter season approaches, along with competitive pay and a great company culture?

We have multiple long-term project monitoring assignments under contract in the Buffalo area and are looking to add to our team. Our ideal candidate has a current Asbestos Project Monitor Certification, OSHA Training, and 1+ years of related experience. Candidates with at least 3 months of experience will be considered.

We're a team of engaging, intelligent, and energized folks who are committed to making an impact in the world. We offer a friendly, employee centric culture and are passionate about our staff, their lives, happiness and personal growth. See below to learn more.

Responsibilities

- Perform project monitoring and air sampling for asbestos, lead, heavy metals and other contaminants
- Conduct clearance visual inspections to determine project completeness
- Provide complete and accurate paperwork to project manager for review and comment
- Assist in asbestos, lead-based paint and other hazardous materials inspections
- Assist in indoor air quality investigations, radon testing, mold testing, water sampling, industrial hygiene sampling, etc.
- Occasionally assist with general data entry duties of the laboratory and office
- Perform duties and special projects as assigned by management

The Requirements:

- 3+ months of experience as a project monitor is required; 1+ years is preferred
- Current Asbestos Project Monitor / Air Sampling Technician Certification or a recently expired certification with the ability to update through an 8-hr. refresher course
- Strong work ethic and high level of integrity; excellent communication and problem-solving skills
- Ability to perform field work independently at various work site locations, work flexible hours and travel within Upstate New York
- Comfortable working on active construction sites with asbestos and other hazardous materials
- Reliable transportation with proof of required insurance and valid driver's license
- Ability to pass MVR (motor vehicle record) check, OSHA-required physical, and drug test
- Ability to lift up to 50 lbs., work at heights, in small spaces and other adverse conditions

Pay Range: Sienna is dedicated to ensuring fair and equitable compensation for our employees. The pay range for this position is from \$20.00 - \$25.00 per hour. The specific compensation for the successful candidate will be determined based on their knowledge, skills, and experience.
