

Asbestos Project Monitor -- \$1,000 signing bonus, \$20.00/hr

Are you an experienced Asbestos Project Monitor looking for a change? Are you looking for steady project work as the fall / winter season approaches, along with competitive pay and a signing bonus?

We have multiple long-term (6 month+) project monitoring assignments under contract in the Buffalo area and are looking to add to our team. Our ideal candidate has a current Asbestos Project Monitor Certification, OSHA Training, and 1+ years of related experience.

We're a team of engaging, intelligent, and energized folks who are committed to making an impact in the world. We offer a friendly, employee centric culture and are passionate about our staff, their lives, happiness and personal growth.

Why should you apply?

- Starting pay of \$20.00/hr. with the ability to increase your pay rate as your skills grow
- \$1,000 signing bonus
- Paid training and certifications
- Competitive benefits package and paid time off
- Employer 401k contribution without required employee contribution
- Regular reviews and feedback
- Ongoing training and development to support your career path
- Company events and volunteer opportunities

The Requirements:

- Current Asbestos Project Monitor Certification, OSHA training and related experience
- Strong work ethic and high level of integrity; excellent communication and problem-solving skills
- Ability to perform field work independently at various work site locations, work flexible hours and travel within Upstate New York
- Comfortable working on active construction sites with asbestos and other hazardous materials
- Reliable transportation with proof of required insurance and valid driver's license
- Ability to pass MVR (motor vehicle record) check, OSHA-required physical, and drug test
- Ability to lift up to 50 lbs., work at heights, in small spaces and other adverse conditions
